## Trips!

**Y1 Botanical Gardens:** Y1 had a lovely day at the Botanical Gardens. They experienced the Tropical, Sub-Tropical, and Mediterranean Houses, as well as handling a variety of unusual seeds and creatures including a corn snake and a cockroach!

**Y3 Tangle Wood:** Despite the very wet end to their day, the Y3

children had a fantastic day at Tangle Wood. They had a camp fire, built structures, foraged, and were immersed in Stone Age life! Some of the children said that it was the ‘best trip ever!’

## Children's Christmas Party afternoons...

These will take place during the last week of term. School will be providing some party food for them, taking account of allergies, so donations will not be needed.

## And finally...Thank you!

A huge thank you for the kind comments we received on Thursday when we had to change the end of day collection due to a torrential downpour! At least we have a system that works now should we find ourselves in that position again!
