## Welcome to 2023...

Our children have come back to school ready to learn and tackle new learning opportunities.

We have made changes to our Keystage 2 timetables which have been received positively by the children. ALL children in Year 3, Year 4, Year 5 and Year 6 now have two PE sessions per week so need **correct indoor and outdoor kits in school every week.**

Outdoor weeks will continue as will Inspire workshops and Family Lunches.
