

We have **some exciting news** to share with you about Maths at Glascote Academy:

Children in **Keystage 1** are now using the **Times Tables Rockstars Rolling Numbers chants** to practise their multiplication tables at the end of each day. All of the chants are available on the Times Tables Rockstars You Tube page if your child would like to practise these at home [Times Tables Rock Stars - YouTube](#)

Children in Year 2 have been sent home with a letter and log in details to access the Times Tables Rockstars app/website. Children will be using this app every Thursday morning for twenty minutes and it is recommended that children practise their times tables for three-minute sessions regularly whilst at home. Currently the Year 2 children are mastering counting in 10s and will be moving on to 5s next.

All children in key stage 1 will continue to use the **White Rose Maths scheme** and will continue to complete their work in a yellow maths book.
