TT Rockstars – expectations

We have noticed that the same classes are winning every week. After looking closer at the actual players, it appears that only a few children in each class are taking part, except 5 Seacole who have 25 out of 28 children participating every week. This is what we want in each class. The children know that our expectation is for them to access TTRS at least 3 times per week even if it is only for 5 minutes each time. Not only will it support their class totals but more importantly the continual practice will improve their multiplication knowledge and recall speed which is the ultimate goal. Please support and encourage your children to do this.

SEND

Our Inclusion leader, Mrs Nicholson, has now begun her Maternity Leave so that she can be rested and prepared for when her baby arrives which is imminent. We wish Mrs Nicholson and her family well during this precious time.

In her absence, Miss Cooper will be our named SENDco, supported by our SLT and our Fierté Trust SENDco Mrs Magill. Miss Cooper knows the children extremely well and has personally taught many of them! Likewise, she has also strong links with our families through her classteacher and leadership roles.

Correspondence will be via families@glascote.org or via telephone call to the office, or face to face. We will continue to support all children’s needs; however, please be mindful that Miss Cooper will still be class teacher to 1 Berner’s-Lee during this time also, therefore she will not be able to answer your queries immediately unless an emergency.
