TT Rockstars “Class Battles” Winners 15th November:

1 Berner’s-Lee
2 Attenborough
3 Newton
4 Williamson
5 Seacole

TT Rockstars

We are pleased to say that more children accessed TTRs at home last week so **‘Thank you’**, this is wonderful. Maybe the overall winning classes will start to change! Watch this space!

Year 3 Music Concert

3 Chandi and 3 Newton performed for family members this week. They showcased their skills on the steel pans even though they have only been learning how to play them for 8 weeks! A good time was had by all as brave members of the audience had a go also!

Whitemoor Lakes!

Year 6 Residential

6 Pankhurst have had an amazing time at White Moor Lakes! They were extremely busy from the moment they woke up until they went to bed! They faced their fears and persevered, showing true Glascote Pride. Activities included the leap of faith, gladiators, fencing, high ropes, wrap the egg, and a disco. They came home tired and dirty but with memory wonderful memories. A huge thank you to the staff (Miss McElroy, Mrs Asson, Mr Bradshaw, and Miss Martin) who selflessly gave up their time to be on duty 24/7 ensuring that the children were happy and safe.

Remembrance Service

On Monday 11th November, we commemorated Remembrance Day by holding our annual Glascote Family Service. During the service, a whole school silence was held before laying our class wreaths and crosses by the forest area fence along the main driveway as a sign of respect.

National Challenges for Special Educational Needs and Impact on Schools

You may have recently been made aware of the news reports highlighting the challenges of the Special Educational Needs provision in England. The National Audit Office (NAO), which is the government's spending watchdog, recently published a report which argued that many view the special needs education in England as broken and that a whole system of reform is needed. This links to a significant rise of children registered in England with special educational needs (SEN).

Some of the key challenges that parents and schools are facing are related to accessing professional help and support; delays in waiting for specialist assessments and Educational Health and Care Plans (EHCP's) and the lack of Special Educational Provision.

In all schools across the Fierté Multi-Academy Trust teachers are working hard to support the special educational needs of children against these challenging circumstances. We understand that for many parents it can be incredibly frustrating having to wait for support for your child especially from outside agencies. We are committed to continuing to work in partnership with parents in seeking to support all children and hope that parents can be aware of the limitations that schools are facing which are outside our control.

For further information on this please either contact your SENDCO at your school or contact the Trust Inclusion Leader at inclusionleader@fierte.org
