Newsletter

We had 'Pride Bingo' this week! Someone for every virtue! Our Spotlight winners who have displayed our 'Pride' Virtues across the week are...

Win the Bin!

For showing **“Pride in our school”** and for doing their **“duty”** by keeping cloakrooms and other areas tidy. A special thank you to **Cara from 5 Cornwall** who chose this week's winners....

5 Somerset

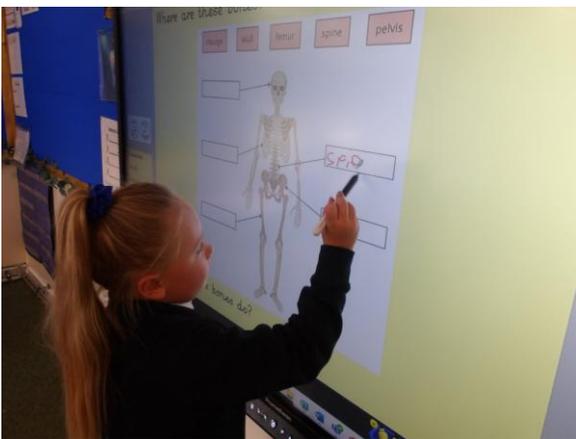

Reception City of London

Year 1 have begun to learn about the parts of the human body. They worked together to draw around one of their team members then they labelled body the parts.

Year 2 have been working scientifically as they have been learning about what fish and animals need for survival.

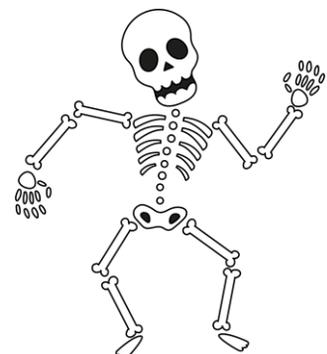

Year 3 are learning about the skeleton and finding out the names of our bones!

Year 5 have been outside investigating air resistance with their own paper aeroplanes.

Reception City of London have been exploring the 'attraction' of magnets by finding magnetic and non-magnetic objects. They even found out that the door handle is magnetic.

Science Workshops have begun!

The first science workshop of the term was a great success with family members from 3 Pembrokeshire participating after their class assembly. Everyone took part in a parent-and-child quiz, where teamwork and quick thinking led to some impressive scores. Adults also received take-home information sheets which provides an overview of this year's science learning and suggestions for fun things to do at home.

Date	Event
Tuesday 18 th November	Music Concert for Parents/Carers: Y4 Warwickshire and Y4 Yorkshire (Joint)
