

Safeguarding Policy: Addendum [2]

**COVID-19 Phased Return
at Glascote Academy
1st June 2020**

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open **only** for those children of workers critical to the COVID-19 response and Vulnerable Children who fulfil the criteria laid down by the Government. Only those children **who absolutely need to attend will be in school beyond this date up and until directed otherwise by the Government.**

As of **28th May 2020**, the Prime Minister and his Government have stated that the five test for adjusting lockdown (see below) have been met and therefore from **1st June 2020** schools will conduct a planned phased return for *all pupils* in Nursery, Reception, Year 1 and Year 6 as well as maintain the Keyworker and Vulnerable children groupings.

5 tests for adjusting the lockdown

- 1** Protect the NHS's ability to cope. We must be confident that we are **able to provide sufficient critical care and specialist treatment** right across the UK.
- 2** See a **sustained and consistent fall in the daily death rates** from COVID-19 so we are confident that we have moved beyond the peak.
- 3** Reliable data from SAGE showing that **the rate of infection is decreasing to manageable levels** across the board.
- 4** Be confident that **the range of operational challenges, including testing capacity and PPE, are in hand**, with supply able to meet future demand.
- 5** Be confident that **any adjustments to the current measures will not risk a second peak of infections** that overwhelms the NHS.

STAY ALERT > CONTROL THE VIRUS > SAVE LIVES

Following the Government guidance for a planned phased return, the school have implemented the necessary changes to the physical environment and the way that it will work from 1st June onwards, until further notification that this must change again as more children return.

Our underpinning values and promotion of safeguarding following the principles of "Keeping Children Safe in Education" (2019) as stated in our main Safeguarding Policy 2019 to 2020 remain unchanged.

Vulnerable children:

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the parents, to decide whether they need to continue to be offered a school place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. **Many children and young people with EHC plans can safely remain at home.**

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputies) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support

Glascote Academy will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this in school will be: Mrs S Field (SENDCo)

There is an expectation that vulnerable children who have a social worker will attend an education setting, **so long as they do not have underlying health conditions that put them at risk.** In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Glascote Academy will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, the SENDCo/DSL/DDSL or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Attendance

Government guidelines have stated that from 1st June 2020, the taking of normal daily registers will resume along with the completion of the online webform for the DfE (which has been in operation since 23rd March 2020). On 1st June, office staff will follow up any non-attendance within the specified year groups (R/Y1/Y6) and any known KW/Vul chn who are meant to be in school, unless we have had notification from parents regarding their intention of non-attendance. The Government have stated that non-attendance during this time will not be penalised.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, we will notify their social worker.

Working on one Site

Glascote Academy has the capacity to ensure there is always a DSL/DDLS, qualified first aiders/paediatric first aiders on site. As all senior leaders are DSL/DDSLs, we aim for at least one to always be on site but if this is not possible due to isolation all staff have access to Leaders' mobile phones in case of an emergency. This will ensure that we can provide a safe learning environment for all children including Key Workers and Vulnerable children as defined by the DFE. All staff will have at least Safeguarding level 1 training and a DBS check;

DSL/DDSLS are level 2 trained. During the phased re-opening the school will not use volunteers or trainees. Unfortunately, the agreed level 4 training for DSL /DDSLS will be placed on hold until the pandemic is over.

Interim email has been devised which is accessible to the DSL and Deputy DSLs at our school: Closure@glascote.org

Reporting Concerns

If anyone at the setting has a safeguarding concern about any child they should continue to act and act immediately, following the existing procedures that all staff are aware of and are familiar with. All concerns will be recorded using MyConcern and a DSL or DDSL will be available to respond in line with school policy.

The DSL/DDSLS will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Concerns around the Headteacher should be directed to the Chair of Governors: Mrs Vanessa Buchannan.

The ELT of the Fierté Multi-Academy Trust will continue to offer support in the process of managing allegations or in the absence of the Headteacher for any prolonged length of time i.e. due to self-isolation and/or confirmed illness.

Children with EHCPs

If SEN Children are not in school, the SENDCo will speak to all families of weekly to ensure that they are fit, well and coping. Details of organisations offering support will be forwarded to those families that need it.

Free School Meals

To support those in receipt of Free School Meals, families will continue to be issued weekly food hampers whilst maintaining social distancing and no access beyond the school gate. Although the National Food Voucher Scheme is now available (from 31st March), it has been agreed with parents that their needs are better met through the issuing of hampers. This will remain in place unless circumstances such as complete closure or severe staff illness dictate that the voucher scheme has to be adopted.

Online safety at school

Any internet access whilst on school site will continue to use the online filtering system and pupils will be given, appropriate supervision.

Children and online safety away from school

Staff will not be interacting online with pupils or their families apart from the updating of our school Facebook page which is monitored by one of our Assistant Headteachers and our IT Leader. Information regarding online safety has been forwarded to parents during the lockdown either by the school Facebook page or the school website. All chn have received annual e-safety lessons from their teachers and from the Street-wardens (KS2).

Glascote Academy will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Supporting children not in school

Glascote Academy is committed to the well-being of its pupils and families. Senior Leaders and office staff will aim to maintain regular contact with our families via telephone, email, text, Facebook page and website. These interactions will be logged (dated). Glascote Academy recognises that school is a protective factor for many children, and that the current circumstances may affect the mental health of pupils and their parents/carers.

Peer on Peer Abuse

At Glascote Academy, any report of peer on peer abuse will follow the principles as set out in part 5 of KCSIE and of those outlined within of our safeguarding policy. The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Support from the ELT of Fierté Multi-Academy Trust

An ELT member from the Fierté Multi-Academy Trust (MAT) will be in daily contact with the Headteacher and they will be made aware of any safeguarding or GDPR issues.
