**CONGRATULATIONS!**

## Win the Bin!

For showing **“Pride in our school” and for doing their “duty”** by keeping cloakrooms and other areas tidy. A special thank you to **Abbie (5 Cornwall) who judge this week’s winners...**

**6  
Derbyshire**

**Joint winners:  
Reception City  
of London  
and  
2 Shetland**

Abbie also awarded 5 positive points to everyone in **4 Warwickshire and 5 Somerset** being very close to winning, Congratulations everyone!

## Recycling Rabbit!

**Jasper and Mia (Year 3) have chosen Year 2** as our recycling winners this week. They have also awarded everyone in Year 5, Reception and Year 1 five positive points each as they were very close!

## Entrance by the main office

Some of you may have noticed that we have made some changes. Two of the chairs have been removed and now a table is in place. This is because there will be items available for you to take if you need them – no questions asked.

These will be:

- hygiene items (initially oral hygiene – toothbrushes and toothpaste – children and adults). We are hoping to acquire other items in the future and will let you know.
- Books – feel free to take home and use; you can bring them back or keep them, even swap them for some you have at home
- Uniform – feel free to take pre-loved uniform

We hope that these items will help our families; times are difficult and we need to support each other.

## Eco Committee and Student Governors

We are very lucky to have committed children within our school that want to make a difference for everyone.

They have worked together, alongside Miss Cope, Mr Armitage (CoG) and Miss Powell, to complete a Local Nature Funding application worth £500. Everyone has their fingers crossed as they will have to wait until the end of March to find out if they have been successful.

### A plea for seeds

As we are now in Spring, the children will be starting to plant seeds in our forest area and on our farm. If you have any spare seed packets (flowers, vegetables) lurking in your cupboards that you have been meaning to plant, and would be willing to donate them to school, Miss cope and the children would be extremely grateful.

# Safety Seymour

The children in **2 Shetland** and **2 Antrim** had a special visitor on 25<sup>th</sup> February...Safety Seymour! He is a superhero bear from outer space who is on a mission to teach children and their families about **carbon monoxide (CO)** and how to protect themselves, making homes safer.

During the morning, the children found out how carbon monoxide is created, the effects on the human body, what steps to take to avoid exposure, what the symptoms are and how they can stay carbon monoxide safe. They were all given a Carbon Monoxide Alarm to take home. If you think a gas appliance is leaking carbon monoxide, call the **free National Gas Helpline immediately on 0800 111 999**
