Special Mention...

Congratulations to Leo, Jade, Merida, Scarlett and Mia in 6 Derbyshire who are now real-life published authors! After entering a National Young Writer's Competition, their individual pieces (which were a maximum of one hundred words) were chosen to be included in a published book. We are so proud of them and how they have expressed themselves in written form. Being published authors is a huge privilege and an amazing achievement.

Scientific Exploration!

Year 2 Shetland went on a microhabitat hunt during their Science lesson this week and were amazed by the living things they found! They used their critical observation skills, were inquisitive and expressed their delight when they found creatures lurking in dark corners!

New Glascote Family members!

We have **seven new chicks**, kindly donated to us by Nursery who hatched them just before Easter; they are now three weeks old and thriving, inquisitive and enjoy having their photograph taken!
