

Fierté Festival 2026

“Better Together”

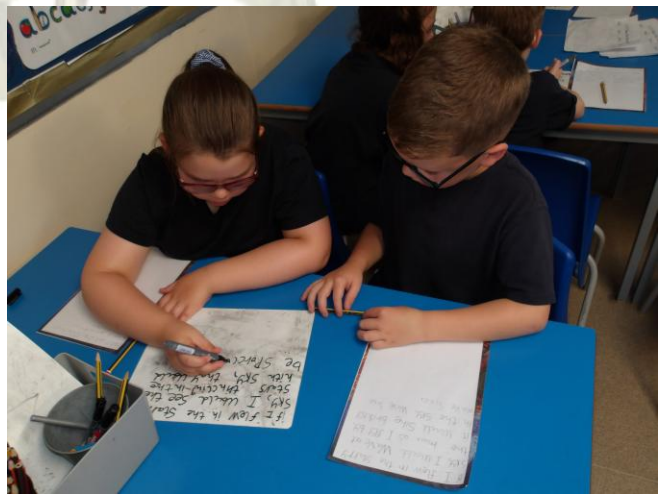

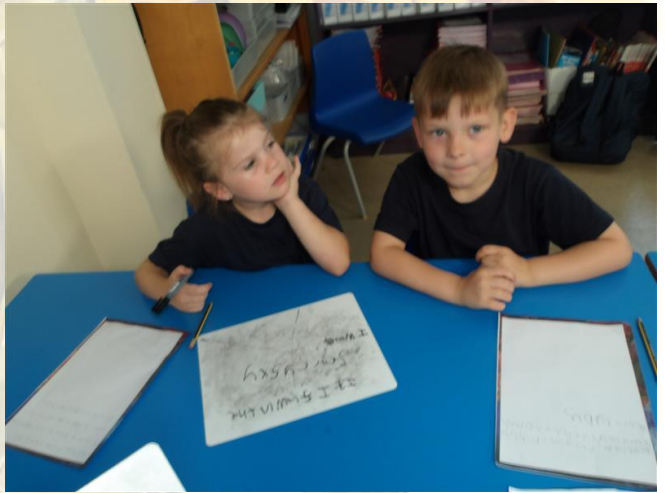

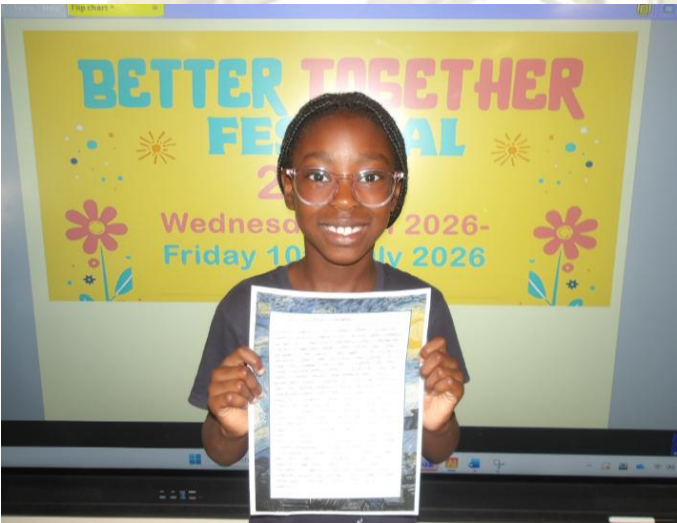

Enjoy our highlights from the last couple of weeks...

Better Together

♥ at Glascote Academy ♥

5 Somerset is Better Together because...

We grow like sunflowers, glistening with pride as we shine.
We grow like a kite, as our maturity gets better with time.

We grow like counting numbers, getting greater and greater every day.
We grow at home, but when we're together, we are a family.

We grow like a mighty rocket, reaching for the stars.
We grow with respect, filling the classroom to the brim.

We grow like a blooming summer field, driven by an inquisitive mind.
We grow like sunflowers, standing in the sunshine with ambition and pride.

This is why 5 Somerset is Better Together!

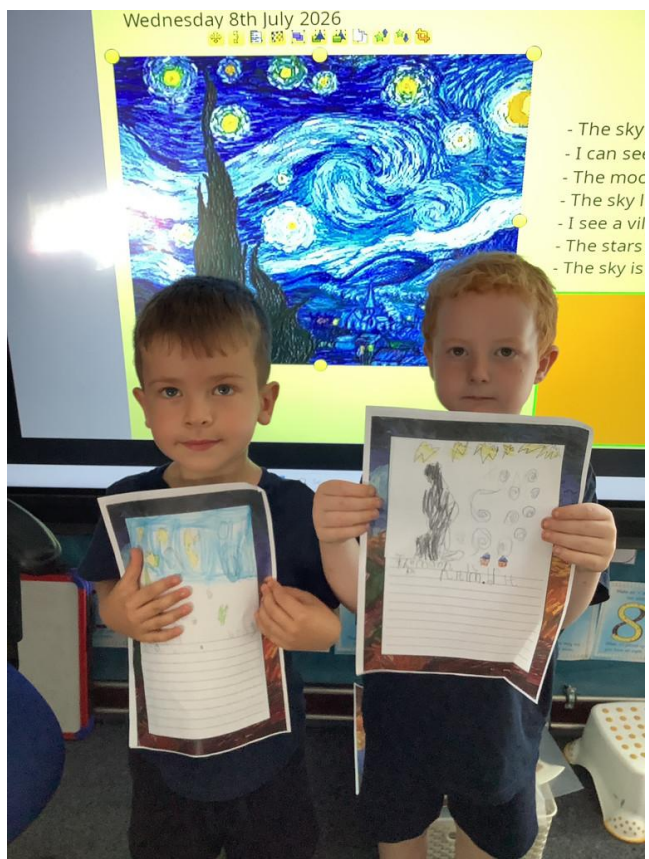

Better Together

at Glascote Academy

At Glascote Academy,
 We come from a school of happy and helpful people, we are like shooting stars in the night sky.
 We come from a school of thanking God for his great gifts, a place where all are welcome and shown respect.
 We come from a school where we are like a piece of artwork, where we come together as one.
 We come from a school of children growing like flowers, we get showered with learning to help us bloom.
 We come from a school of bright and confident performers, we shine like diamonds on an engagement ring.
 We come from a school of scientists, sometimes things go wrong but eventually we will get there.
 We come from a school of young and inspired learners, we are like the moon shining in a never ending galaxy.
 We come from a school of amazing historians, who always find an adventure.
 We come from a school that has blessed us from the heavens, we feel lucky to be part of this team.
 We come from Glascote Academy, we shine like stars in the moonlight.
 We are Better Together!

Still better together...
4 Yorkshire tidying up their
community!

Still better
together...
Year 2 Monarch
Day

We're
all
in this
Together

Thank you to everyone who bought tickets for our Summer Raffle. We raised £330! Proving yet again that we are all...
